Ned's Point Lighthouse

NOMINATED TO THE NATIONAL REGISTER OF HISTORIC PLACES

by VIRGINIA ARRAL

Ned's Point Lighthouse is located in a picturesque position in a town-owned and maintained park - Veterans' Memorial Park. The lighthouse and park have been nominated by the State Historical Commission to the National Register of Historic Places as part of the Lighthouses of Massachusetts Thematic Group. The National Register is the Federal Government's official list of historic properties worthy of preservation.

Named for Edward (Ned) Dexter, Ned's Point Lighthouse came into existence in 1837, following President John Quincy Adams' recommendation in 1834 to the U.S. Government that a lighthouse be erected at this spot.

Originally part of the early Dexter farmland, it was continually owned by the Dexter family until it was sold to Joseph Edwards in 1833. In 1837, Barnabus Hiller, guardian for H.H. Edwards, sold four acres to the U.S. Government for $240.

Historical background is sketchy for some years and dates supplied by the state Historical Commission versus town records are conflicting. In 1837 the 35 foot stone tower, topped by a five foot eight-inch cast iron lantern, was built by Leonard Hammond, government lighthouse contractor, for $4,500. At the same time an oil house (to house oil used for the lantern) and a keeper's dwelling and barn were constructed.

On March 21, 1838 the 11 fixed lamps were lighted for the first time. In November 1975 the light was declared obsolete and parts became unobtainable. In 1977 candlepower was reduced from 6600 to 3680 - 375 mm lens to 250 mm lens. On February 18, 1981 an automatic daylight controlled Fisher Pierce lamp was installed, with a 250 mm plastic lens, with a 12-mile radius.

In the 1880s a second lightkeepers house was built. This house remained until 1923 when it was floated by barge to Wing's Neck in Pocasset across Buzzards Bay and placed alongside the Wing's Neck Light. The oil house remained and is still intact in the park.

There seems to be a question on what happened to the first keeper's house, if indeed there were two houses. It was the keeper's house that was built in the 1880s that was moved. These records appear to be authentic, as well as the fact that many residents living in Mattapoisett remember when the house was moved. It is possible, and this is only a conjuncture on the part of this writer, that an authenticated August 1869 hurricane destroyed the house when the seawall was destroyed. It is recorded the seawall was re-

built in 1888.

More recently, the town attempted in June 1938 to buy the four acres from the U.S. Government. Town meeting members voted to send James A. Stowell, a Mattapoisett resident, as a committee of one to Washington, D.C. to negotiate the procurement of the Ned's Point Lighthouse Reservation (as it was called at that time).

Stowell reported in the 1938 town report his success in urging the passage of an Act of Congress on May 5, 1838 "to authorize the conveyance of Ned's Point Lighthouse Reservation to Mattapoisett". The agreed upon price was $7,000, reduced from the $14,000 originally appraised for by the government.

Stowell submitted a bill for $98 which covered, besides minor items such as postage, a trip to Boston, train fare to Washington, and hotel and meals for six days.

His bill to the town was voted to be paid at the 1939 annual town meeting. However, the vote to purchase the land from the government was not so successful. Voters turned it down, but voted to remain interested in a possible future purchase.

In 1949, town meeting members voted to form a committee of seven - three from the Planning Board, three from the American Legion Post 280 and the Chairman of the Board of Selectmen - to present plans for the purchase of Ned's Point Lighthouse Reservation. The Rehabilitation Fund would be used for the purchase, development and policing at the park

The committee was comprised of Selectmen Chairman Lester A. Crampton, Ralph W. LeBaron, Martin Bauer, Police Officer Alfred E. Faria (before he became Police Chief), Thomas V. Brennan, John C. Perry and Frederick LeBaron.

Although funds were voted to be taken from the Post War Rehabilitation Fund in 1950, a letter from the government on October 27, 1951 stated, "The disposal of federally-owned surplus property has been temporarily suspended pending a re-screening of the property to determine possible needs for defense purposes".

It wasn't until March 10, 1952 that the Town of Mattapoisett, through the Board of Selectmen, obtained title to Ned's Point Light Reservation property for the $3,000 voted in 1950. This is where the property ownership stands today, with the government retaining title to the tower and right-of-way road to the lighthouse.

Ned's Point Light is significant, the state asserts, as it possesses integrity of design, location, materials, setting and workmanship as well as important association with the development of aids to navigation in Massachusetts.

Selectmen Chairman John N. DeCosta, who was notified of the nomination at a recent Selectmen's meeting, said that if approved at the September 10th hearing to be con-

ducted by the state Historical Commission, it will qualify the town for federal grants for historical preservation when funds are available. "Speaking for the Board, we are quite pleased with the nomination. Ned's Point Park is a beautiful place," said DeCosta.

DeCosta explained, "The nomination, a joint product of First Division of the Coast Guard and the Massachusetts Historical Commission, was first approved for listing in the National Register in January 1982. In April 1982, the Lighthouse Thematic Group's nomination was forwarded for listing and was subsequently misplaced. It has now been relocated and will be re-submitted to the Coast Guard after recommendation by the Commission at the September hearing.

Any person interested in commenting on the nomination, either in favor of or objecting to the nomination, may attend the hearing scheduled for 1:00 p.m. Wednesday, September 10th, at the Codman Estate Carriage House, Codman Road, Lincoln, MA.

FLOOD PLAIN ZONE CHANGES AFFECT SHORE AREAS

Those persons building new homes in the shore areas of Mattapoisett within the Flood Plain Zone will have to adhere to the new increased wave-high heights, some as high as 22 feet. This information was explained last Tuesday during the Selectmen's meeting, by Michael Goetz, hydrologist with FEMA (Federal Emergency Management Agency) at an informal informational hearing.

Goetz explained the new heights will take effect after the series of hearings has been held. The new study maps which were on display illustrate the zones as Zone A where

the 13 to 14 foot height (present standards) is determined by a 100-year storm surge level. The new wave heights of up to 22 feet is Zone V. In Mattapoisett Zone V is at open ocean-facing points.

Grant Kelly, civil engineer with the U.S.Army Corps of Engineers, explained the New England Division took aerial photographs to map the base for the wave height analysis.

New building standards will take into account the new wave heights. "Mattapoisett can appeal if scientific evidence proves us wrong," said Kelly.

In some areas of Reservation Road it has been recharted to 18 feet. Up to 20 foot wave heights are mapped close to the shoreline on Shoreview Avenue. The present 13 to 14 foot heights only reflect 100-year storm search, and it doesn't affect three foot waves which are used as a breaking point between Zone A and Zone Va.

Selectman Frank Suzan asked if the engineers have any information on older than 1938 tide heights. Kelly said they have older dates but no hurricane data. He noted the sea level has changed over the years of high water marks in Mattapoisett.

A resident asked if the change will have any effect on the current insurance rates. Goetz explained that if you were not in the Flood Plain area before, you don't have to buy Flood Plain insurance. However, if you go to the bank to refinance your mortgage, the bank will require insurance; and if a house is pur-

chased, the owner would have to buy Flood Plain insurance. You will not have an increase if you are now Zone A, then changed to Zone V. He added that Flood Plain insurance rates themselves are going up.

Another question from the audience asked how will the rates affect rebuilding after a loss. Goetz replied if a house suffers more than 50 percent damge, the owner would have to follow the new wave height changes.

Local civil engineer Robert A. Cattley asked several questions dealing with flood proof buildings and said he felt he could build one if the agency would take that fact under consideration. Goetz replied, "what can I say but that is the way the rules are written". Goetz told Cattley his agency would supply him with a manual explaining formulas and methodology used by FEMA.

In other business, Selectmen:

MET WITH Shellfish Constable Brian Nunes and Wharf Commissioner Steven Mach to discuss a problem with owners leaving their boats over the oyster beds at the entrance to Pine Island Pond. Nunes said some of the boats are in the salt marshes where they don't belong.

Both officials stressed they just wanted to move the boats 100 to 150 feet from the entrance to the pond. They estimate there are 15 boats that need to be moved. They also noted probably some of the boats' registrations aren't valid. Nunes said he has been trying to get a new oyster bed started, and a lot of money has gone into the oyster relay.

Selectmen agreed to allow Nunes to

place a notice in the Presto Press, "If boats are not moved by Labor Day, we will have to move them from Pine Island Pond". Selectmen stressed that the notice explain the rationale for the move. Also, to be sure the boats, if moved, are placed in protected waters.

MET WITH Stephen Hanna, 5 Tobey Lane, who expressed his concern with the lack of action being taken by either the Selectmen or the ORR District School Committee on the roof leaks at the high school. "My concern as a citizen of Mattapoisett is that someone is derelict in their duty. I say fix the roof and not point a finger at who is to blame."

Hanna spoke of a letter sent to parents of ORR students explaining the situation from the school's point of view. Selectmen advised Hanna to speak with the people who sent the letter.

Selectmen noted a joint meeting of Selectmen from the three towns and the ORR School Committee and administrators will be held at 8 p.m. Wednesday, August 27th, at the high

RECEIVED A REQUEST from Police Chief James Moran to purchase a radio repeater to be shared by Marion, Rochester and Wareham at a cost of $2,056. Selectmen noted the request could go to the special town meeting this fall.

Selectman Frank Suzan asked what would happen if Rochester didn't vote its share. Selectman James Huntoon explained, "If Rochester or any of the other towns doesn't put in their share, each of the remaining towns will put in a larger share, then that town not participating will not be able to use the repeater.

TENTATIVELY AGREED to award a bid for the Personnel Reclassification Study to Yarger and Associates, Inc. for $4,900 (the low bid).

The award was tentative until Executive Secretary Carol Adams has checked the company's references because their bid came in so much lower than the other two received. The other bidders were Olney Associates, Inc., $6,000 to $7,000; and Massachusetts Municipal Association, $20,500. The sum of $5,000 was voted for this expenditure at the last annual town meeting.

Fairhaven DPW on a July meeting at which Mattapoisett was informed the cost for Mattapoisett's share of the sewer treatment plant expansion would increase by 538 percent.

Wordell noted there is expected a large increased cost up from the original estimate from $52,000 to $280,000. He said this reflects a 538 percent increase. Also, there are changes in the DEQE federal policy - changes that make us pay additional charges for items not covered now. Fairhaven would still be eligible for grants.

Wordell wrote that unless a more equitable distribution of matching funds can be agreed upon and the cost to Mattapoisett be substantially reduced from the current estimate, the town will be forced to withdraw from participation in the expansion. The Commissioners and Selectmen will await a reply from Fairhaven DPW.

READ A LETTER from Mrs. Pauline Cedrone she sent to the Police Department in which she thanked the ambulance driver and all the policemen and policewoman who responded to her call for help on July 10th.

MET WITH David A. Bancroft of 27 Driscoll Lane who asked who surveyed his land, claiming it was authorized by the town. Bancroft wanted to know who the authorizing agency was. "I've never been informed", he said.

Meeting on ORR Roof Problem

MATTAPOISETT BUILDING INSPECTOR AND ORR SCHOOL OFFICIALS "WHERE DO WE GO FROM HERE", ASKS INSPECTOR by VIRGINIA ARRAL

At an emergency meeting of Old Rochester Regional High School administrative officers and two school committee members called by Mattapoisett Building Inspector David E. Crook for August 18th at the Town Hall, the discussion centered on what can be done to alleviate the problem of the senior high school's leaking roof and the resulting damage it is causing.

Crook's question, "What can you come up with to repair the damage of water leaking into light fixtures, medical supplies, etc.?" was aimed at the school committee Chairman Kathleen Reis of Marion,

Patricia Ryan, member from Rochester; School Superintendent Joan Walsh and Andrew J. Santos, Administrative Assistant and Business Manager. Crook informed them that, "If no significant corrections are made, the Cease and Desist Order placed on August 11 will remain in effect." He added that not only the building must pass inspection but the wire inspection must be passed.

Mrs. Reis explained the ORR Advisory Committee has set up a subcommittee, comprised of one representative from each of the three towns, reponsible to see about devising a new formula to divide the costs of a capital expenditure, and until that time, Mrs. Reis said Mrs. Betsy Parks, Marion Selectmen Chairman, has urged that Marion take no action until a new formula is agreed upon by the three towns - and voted on at a town meeting.

Mrs. Reis further said that the

ORR School Committee cannot do anything because the "money isn't there". "No way can we get 180 days of school with its expenses and also fix the roof. The boys' locker room section is padlocked and condemned and cannot be used in the foreseeable future. Except for prayer what can we do? Other sections of the roof are showing signs of damage, so the cost will be increasing. The best we can do is put pots and pans all over the rug like a little old lady would do," said Mrs. Reis. Crook retorted, "We can go back and forth for years saying we don't have the money."

Mrs. Ryan said "our goal is to have something for the Selectmen to approve or disapprove in October. We will compile facts and figures on capital expenses. People are not going to like what the costs will be. We will probably need a Proposition 2½ override for a bond issue for capital repairs."

Santos estimated the cost of replacing the entire roof at $350,000 with another $40,000 to $50,000 needed to repair the structural damage being done in the locker room.

Again Crook posed the question, "What do you intend to do?"

School Superintendent Joan Walsh replied, saying, "Our legal counsel has indicated that, although the school committee met with Selectmen to discuss the problems, the school committee can still go out on its own for an override. The procedure is within the law to do what has to be done. It will cost more in the long run what with the

structural damage."

Mrs. Ryan commented "we will have to have a serious talk at our next school committee meeting on how the contract agreement reads if we can go for an override in our town. If we do a section at a time we will get no help from the state. However, if we do the entire roof about 65 percent will be reimbursed from the state. I recommend we do the whole roof," said Mrs. Ryan. Santos interjected saying "we repaired the Junior High School roof first, then we put about $10,000 aside each year for roof repair."

Crook said, "if you want a contractor to get some figures on repair work, let me know." Santos said this Thursday would be fine to come and check. Mrs. Reis said no one at this meeting could commit to a decision, but any decision would have to wait for the entire school board. She exclaimed, "Remember it's your building, your taxes and your override."

Mattapoisett Town Clerk Lois K. Ennis asked, "As a practical matter, are we talking override?" "Yes", responded Mrs. Reis and Mrs. Ryan in unison. Mrs. Reis said that even

though she is a Marion resident, "I'm not entirely sure Marion will carry Rochester on an override, even if the state reimburses us for part of it. Marion still wants a new formula agreement for apportionment of capital costs first."

Mrs. Ryan said that after the last Junior High School bond payment was made, "we asked the towns if we could continue placing that amount into a maintenance account. Selectmen and Finance Committee members said 'no'. At that time there was no Proposition 2½ cap. Even with the fiscal autonomy we had at the time, we've always tried to work with town fathers. Hindsight is wonderful." Town Clerk Ennis commented, "If we really pushed, we could get a bond issue article ready in four to six weeks." She agreed it would be better to change the formula first.

Building Inspector Crook, who was becoming increasingly frustrated, said for the third time, "Let's get moving; let's get something done!"

Mrs. Ryan said if "we could fix

that section we could eliminate the athletic program to save money." Crook, who appeared irritated at Mrs. Ryan's remark, said "why is it whenever there is a crisis, you (school committee) always pick on the athletic program when you know it gets people worked up?"

Mrs. Ryan responded to Crook's question, saying, "It's our first responsibility to educate all the children. There aren't many places you can save. First you look at a large block of things. I couldn't face keeping athletics and letting education go."

Again Crook asked, "How about taking from the top - the administration? There are some hefty salary increases this year." He admitted not having seen the budget but has heard talk around town on the salary increases. Mrs. Ryan noted some of the increased costs are paper work. "It's ridiculous that there are four pay checks issued for each person in the administration."

Although not addressing his question on administration expenses to Miss Walsh, she said, "we have cut back over the years in the staff in my office. With just a few administrators, we are managing a $7 million budget."

The town clerk asked when a report from the sub-committee could be expected. Mrs. Ryan said there had been one meeting so far and one is scheduled in two to three weeks. Mrs. Ennis said that when "we (in Mattapoisett business) have a seri-

Mattapoisett Kindergarten

OPENING OF SCHOOL - SEPTEMBER 3

On the first day of school, Wednesday, September 3rd, an Orientation Day will be held for the Kindergarten students of Center School, Mattapoisett. For thirty minute sessions students accompanied by their parents will visit their assigned Kindergarten classrooms. Classroom assignments will be posted on the bulletin board at the Barstow Street entrance to the school. During this half hour session parents will meet with the classroom teacher while the children visit with classmates and explore their classroom.

Parents who have not completed their child's registration are asked to bring the certificate of birth and required health data (medical examination) with them on this day. Registration can be completed in the office prior to or after the orientation session.

Thursday, September 4th, will be the first day of instruction for

Here's how Chiropractic treats Overweight

Few people realize that there is a relationship between disturbed metabolism and overweight. The doctor of chiropractic applies his procedure to achieve balanced functioning of the organs of the body.

Doctors of chiropractic also know that balanced nutrition is one of the most important elements necessary to losing weight in a safe and stable manner. Likewise, it is important to the functional health and recuperative ability of the body.

That is why the doctor of chiropractic utilizes dietary management as part of his/her regular health care procedure. If weight loss is desirable, it will be recommended, based on a program which avoids shock to your system.

WHAT IS IT?

Can you identify this object? Is it petrified bacon? A tired loaf of sliced bread? An ancient coral from the bottom of the sea?

It's at the Mattapoisett Historical Society Museum and you have only a few days left to check it out as well as all of the other fascinating things there are to behold. This is the last week of our summer schedule. The Museum closes on Saturday, August 30th. But - the activities of the Historical Society will not cease.

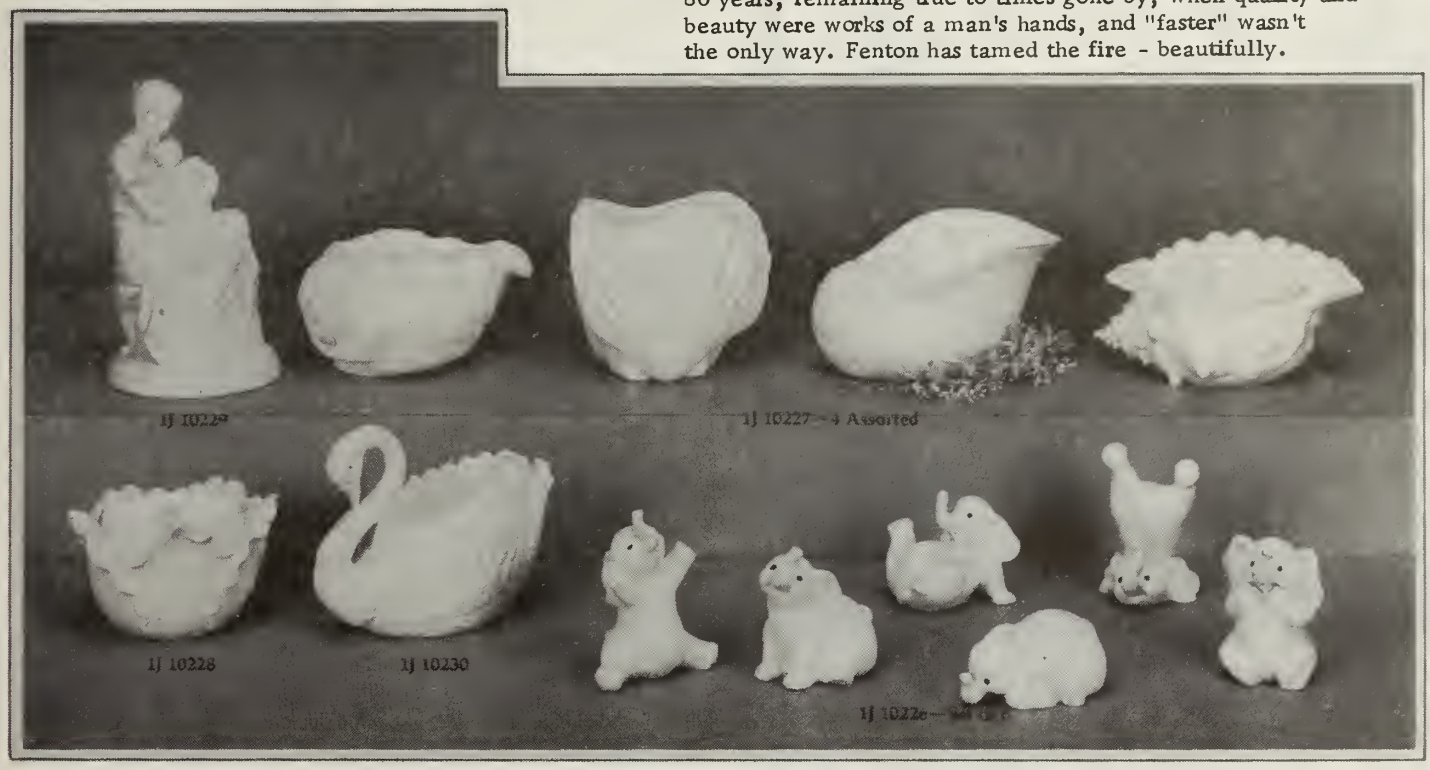
FENTON
FROM-A-FAR

A CONTINUING CELEBRATION IN FINE GLASS.

Glass is a magical substance, caught somewhere in time between a solid and a liquid. It is a demanding substance, requiring both confidence and abundant respect. To tame the fire has long been a challenge for man, and the skillful creation of art from glass may well be the most beautiful proof of accomplishing that dream. The Fenton Art Glass Company has been living this dream for over 80 years, remaining true to times gone by, when quality and beauty were works of a man's hands, and "faster" wasn't the only way. Fenton has tamed the fire - beautifully.



Above, the creamy white tones of the JADE PORCELAIN Collection enhances figurines and votives; below, PEACHES 'N CREAM , a color sure to be the Flavor-of-the-Month for months to come.

A big bus trip to Lowell is planned for Wednesday, September 10th. We leave St. Anthony's parking lot at 8 a.m. Last year's trip was much enjoyed, with its trolley car ride and its ride on the canal boat, which has been extended this year. Other new features have been added, so that if you went last year, you may want to go again. You will pay for your own lunch. Admission is free. Bus trip is only $11. Remember that this trip covers a very important period of our industrial history and labor movement, and this is all brought out with the establishing of The Lowell National Historical Park administered by the National Park Service which works in cooperation with Commonwealth of Massachusetts, the City of Lowell, and other private organizations, and is responsible for

There are still a few seats left for the Fall Foliage tour which leaves St. Anthony's at 8:30 a.m. on Thursday, October 9th. This trip will take us through central Massachusetts to Keene, N.H., and will stop for vegetables and apples on the way home, at Pepperell, MA. This is a delightful trip which includes luncheon; $25.00.

Again, we remind you of the three-day Montreal trip which leaves Friday, October 17th. Time of departure will be announced later. For details of this trip consult our write-up in the August 6th Presto but get your reservations in as soon as possible - deposit is due before Tuesday, September 2nd.

The Halloween Hop will be at the Providence Marriott Hotel on Friday, October 31st. Payment is due by October 1st. Cost is $13. which includes bus and luncheon.

A very wonderful trip which we have not been able to publicize before because Harold Roeder did not know whether additional seats would be available, and he had promised all who made last year's trip to save reservations for them, is now available to all our Seniors. This is the three day trip to Brandywine and Hotel Dupont. Mr. Roeder has now got permission to fill a whole big bus, but you must get your reservation and deposit in at once (deposit $50.). The trip is to the beautiful holiday atmosphere of Brandywine country of northern Delaware and southern Pennsylvania combining ele-

Adult Family Care

The Mattapoisett Council on Aging has scheduled a special meeting of all interested persons who wish to learn more about the Adult Family Care Program. Linda Lockavitch, a program social worker from the Family Service Association of Fall River, will be the featured speaker at a meeting open to the general public and to be held September 29th at 11:30 a.m. in Mattapoisett at the Florence Eastman Post 280 (Legion Hall), 2 Depot Street.

The Adult Family Care Program pays participating persons to bring older citizens into their homes for care. Adult Family Care has recently opened an office in New Bedford dedicated to improving the quality of life for many elder citizens in the area. This is an excellent opportunity to learn about the program and to have any and all questions answered.

coaches and parents who worked last Tuesday night to clean out all the uniforms and equipment from the condemned area.

Your volunteering to do this has greatly helped the athletic department and physical education classes.

David Crook, Mattapoisett Building Inspector, had made plans with Mr. Rodrigues to open the area on one night, to allow adults the opportunity to remove all equipment.

Although much of it was wet, there were items we were able to save, clean, wash, and scrub back to usable condition. There were other items which had to be thrown away.

We could never have accomplished all this work without the cooperation of David Crook, the ORR coaching staff, and some wonderful parents.

I want to say thank you on behalf of all the Old Rochester student-athletes.

HELP US QUALIFY FOR MATCHING GRANT!

The Commissioner of the Department of Environmental Management, James Gutensohn, has notified me that Mattapoisett has been funded from Operation Clean Sweep for a household hazardous waste collection to be held between July 1, 1986 and December 31, 1986. Marion has also been notified of funding.

This is a matching grant, so we need to continue our efforts to reach Mattapoisett's share of $1,762.97. To date, we have $1,304.55. Under the conditions of the funding, Mattapoisett may receive a maximum award of $2,949.62, which includes $347.01 to reimburse SE Regional Planning and Economic Development District for administration of the program,

Blindness Prevention

DIABETES IS LEADING CAUSE

Diabetes is a leading cause of new cases of blindness in the United States. Usually the eye changes caused by diabetes create no symptoms until the damage has progressed to an advanced stage when treatment may be less effective. National studies indicate that laser treatment may reduce incidence of blindness from diabetes by up to 60%. The critical factor is to find eye changes early enough to allow the treatment to be used effectively.

Eye Program. The program offers a variety of services to encourage and facilitate eye exams for persons with diabetes. For more information call Toll Free 1-800-535-EYES. Or write to "The Diabetic Eye", P. O. Box 10 Essex Station, Boston, MA. 02112.

The NATIONAL EYE CARE PROGRAM Helpline is offering eye care to residents over 65 years of age who have medical eye problems, but do not have a personal eye physician. If you are 65 and over and have not had a medical eye exam for 3 years, but lack the resources to obtain needed eye care, call the NATIONAL EYE CARE HOTLINE Toll Free at 1-800-222-3937. This program is a project of the American Academy of Ophthalmology and associated volunteer ophthalmologists.

Additional information on both these programs is available at the Mattapoisett Council on Aging. Telephone any weekday morning at 758-3758.

Retired Persons

The first meeting of the season of the Greater Fairhaven Chapter of AARP will be held on Thursday, September 4th, at the Fairhaven Senior Center at 1:30 p.m. The program will feature dried flower arrangements. Refreshments will be served and all are invited. The Greater Fairhaven Chapter includes Marion, Mattapoisett, Rochester and Fairhaven.

Area Students

NAMED TO DEAN'S LIST AT BOWDOIN

Lisa M. Burnett of Mattapoisett, Class of '87, was named to the Dean's List for the spring semester at Bowdoin College, Brunswick, Maine.

Students named to the Dean's List received grades of Honors or High Honors in all regularly graded courses and satisfactory or credit in all other courses.

Founded in 1794, Bowdoin is a liberal arts college of 1,350 students, 25 miles north of Portland, Maine, offering 22 departmental majors and several interdisciplinary programs. One of the first colleges not to require applicants to submit SAT scores, Bowdoin is rated by Barron's "Profiles of American Colleges" as one of the most competitive colleges in the country.

NAMED TO DEAN'S LIST AT UMASS

Mattapoisett residents Michael R. Caswell, Charles S. Hamilton, Thomas P. Jackivicz, Mark D. Kroninger and Bernard J. Talty have been named to the Dean's List for the 1986 spring semester at the University of Massachusetts at Amherst, it has been announced by Dean of Students William F. Field.

In order to qualify, an undergraduate student must receive a 3.5 grade point average or better, on a four point scale.

"Because fewer than 15% meet this high standard, making the Dean's List marks significant accomplishment," said University Chancellor Joseph Duffey. "This academic honor is a source of pride to the entire University community."

"JAZZ CELEBRATION"
"MUSIC IN THE GARDEN" SERIES

The renowned Ruby Braff Quartet will perform on Thursday, August 28th, at 6:00 p.m. in the garden of the Rotch-Jones-Duff House & Garden Museum, located at 396 County Street in New Bedford. The Fairhaven Savings Bank will sponsor this evening. The concert is free and open to the public.

The famed jazz musician, Ruby Braff, whose mentor was Louis Armstrong, has just returned from a successful European tour and will be joined by top jazz musicians Marshall Wood, bass; Gray Sargeant, guitar; and Chuck Riggs, drums, in this "Jazz Celebration" evening.

Each Thursday through September 4th, the "Music in the Garden" Series commences at 6:00 p.m. The public is welcome to bring picnic suppers and to enjoy the Victorian period gardens. In the event of rain, the concert will be performed indoors and the seating will be limited.

BUS ROUTES

NOTICE TO PARENTS

Below are the P.M. Bus Routes for the Elementary and Junior and Senior High Schools for the Old Rochester Regional School District and Superintendency Union #55 for the Towns of Marion, Mattapoisett and Rochester for the school year 1986-1987. The A.M. routes and kindergarten routes appeared in the August 20th edition of the Presto Press. Any questions regarding the bus routes and stops which effects your child should be addressed to Andrew J. Santos, Associate Superintendent for Business, 758-2772, or your School Committee representative.

The School Committees recommend and appreciate parental participation and support at bus stops prior to bus arrivals.

LATE BUSES

There shall be daily late buses at 3:30 p.m. and 5:00 p.m. from Old Rochester Regional Jr. and Sr. High Schools. Please note that late bus routes as listed have been premised on express services to specific stops in the respective towns. A student riding the late bus can select a stop that is no greater than 2 miles from his or her home. In some instances, this will require prior planning on the part of parents to pick up their child from these predetermined stops.

Plimoth Plantation HOLDS MUSTER DAY AUGUST 30

The roar of musket volleys and the pounding of drums will resound in the 1627 Pilgrim Village when Plimoth Plantation re-enacts a militia muster on Saturday, August 30th (rain date, Sunday, August 31st).

The all-day special event recreates one of the general musters occasionally held in early Plymouth. The colony's original militia consisted mostly of English yeoman farmers who required periodic training in the use of musket, pike and sword to ensure the colony's proper defense. Captain Myles Standish, the only experienced soldier in the 17th century community, was the military leader of four individually commanded squadrons of men.

The day's activities begin at 9:00 a.m. with traditional English sports and preparation for a great feast later in the day. The first call to arms will be ordered by Captain Standish at 11:00 a.m. The assembled militia of 35 men will march by drumbeat to the newly harvested fields outside the Village palisade, displaying period methods of attack and defense in mock battles conducted on the field. of military maneuvers will be conducted at 2:30 p.m.

Throughout the day, visitors may participate in such games as pitching the bar or nine-pins and join smaller militia units for lessons in swordplay and in handling twelve-foot pikes. Fencing contests, target shooting competitions and wrestling matches between colonists may be observed during this special event at Plimoth Plantation, the outdoor living history museum of 17th century Plymouth.

Plimoth Plantation is located on Warren Avenue (Route 3A), three miles south of downtown Plymouth. Open daily from 9:00 a.m. to 5:00 p.m., its exhibits include the full-scale replica Mayflower II, the 1627 Pilgrim Village and a Wampanoag Summer Campsite. Admission to the Village and Campsite is $6.25 for adults, $3.75 for children. A combination ticket is $8.25 for adults, $5.25 for children. Children under 5 are admitted free.

HERBAL CRAFTS WORKSHOP

The many uses of herbs will be explored during an herbal craft workshop offered by Plimoth Plantation on Monday, September 8th. Darlene Beauvais, museum herbalist, will instruct a class in the making of one or more of the following: tuzzy-muzzies, herbal vinegars and jellies, potpourri, sweet bags, moth bags and catnip mice. Participants may bring home their handiwork.

The class will be held in the Winslow Membership House at 10 River Street in Plymouth from 6:30 to 8:00 p.m. Participants are asked to bring a pair of scissors with them; all other materials will be provided. The fee, including materials, is $12. members; $15., non-members.

For information or to register call the Membership Department at 746-1622, ext. 80.

Gateway Players

IBSEN'S HAUNTING CLASSIC GHOSTS

The Gateway Playhouse is very proud to be presenting Ibsen's classic "GHOSTS", translated by the great American actress Eva LeGallienne. "Ghosts", which opened Friday, August 22nd, will have additional performances August 29th, 30th, September 19th, 20th, 26th and 27th, with an 8 p.m. curtain. As topical as in 1892 when Ghosts was written, it tells the story of Mrs. Alving and her love for her son and her terrible secret. Linda Nelson takes on Mrs. Alving, a role made famous

how to reprimand and when to make a final decision to fire someone.

The related seminar on interviewing will help managers at all levels refine interviewing skills and make time spent interviewing more effective. It will also address the legal issues surrounding interviews.

Both seminars will be conducted by A.F.F.I.R.M. (Attitude Formation for Innovative Responsive Management), a New Bedford-based business consulting firm.

The hiring and firing seminar will be held September 16th at the New Bedford Chamber of Commerce and October 7th at the Brockton Holiday Inn. The interviewing seminar will be held at the same locations, but in New Bedford September 23rd and Brockton October 14th. Both run from 8:30 a.m. to 4:30 p.m., and a special package price for both seminars is available. Call the SBDC at 673-9783 for further information.

BCC will waive tuition and student fees, with the exception of a $12.50 insurance fee, for any unemployed person who wants to take day courses towards a new career or to upgrade current skills. Additional financial aid is available to eligible students. "Those eligible for the waiver program may want to earn high school equivalency or take a few courses toward a new career direction," said Barbara Johnson, financial aid counselor. "Participants can take advantage of all of our personalized career and academic counseling, as well as our college testing program." Applications and information are available by calling the Bristol Community College Financial Aid Office at 678-2811, ext. 182. Registration is open for all classes now through August 29th, with classes beginning on September 3rd.

Community College this fall. Registration is open now.

"Students may start one of our many career or transfer programs or may decide on a certificate program designed to teach the technical skills necessary to prepare them for an entry level position," said Jack R. Warner, dean of student services. Degree programs are offered in a variety of areas ranging from electromechanical engineering to nursing. Culinary arts and computer maintenance are just two of the many certificate programs offered, added Warner.

"But students don't have to enroll in a program to enjoy school this fall. They may just want to try a course or two to learn a new skill or enhance a current one," said Jan Motta, dean of continuing education. The Office of Continuing Education offers a full range of credit and non-credit courses, including calligraphy, culinary arts, and photography.

In person registration for day classes takes place Monday through Friday from 1 to 5 p.m. in the Com-
